

# Take another look

Have you checked out your account at [www.GAFRI.com](http://www.GAFRI.com) lately? If not – take another look. You'll like what you see! Improvements include:

- An **easier-to-navigate** account view.
- **More detailed information**, such as your contract's average interest rate, detailed withdrawal information, your free withdrawal amount available and more.
- **S&P** values for fixed-indexed annuities
- **Contact information** at your fingertips
- And much more!

To access your account, simply visit [www.GAFRI.com](http://www.GAFRI.com) and follow the prompts to create your login. Note that on your first visit to the newly redesigned site, you will need to create a new account. Be sure to keep your login information in a safe place, as you'll need it to continue accessing your account information.

Thank you for choosing the companies  
of Great American Financial Resources
